Property Management

Living area:

- Spacious open plan area with corner sofas, TV built in on the wall for more room to have guests around.

Bedrooms:

- All rooms are large with double beds, desks with chairs and wardrobes.

Bathrooms:

- There are two bathrooms with a shower in the upstairs bathroom.

Kitchen:

- Open plan kitchen with breakfast bar, stools, washing machine and two fridge freezers. The kitchen leads to the large garden.

Additional information:

- The property comes with off street parking and there is an outdoor public communal area with seating. As the house is on the corner of its location, it benefits from a large garden which has both a paved area and grass. Perfect for bbqs and a kick about with friends in the summer.

- Having two bathrooms helps lessen the queue when everyone is trying to get ready!
There is also storage space underneath the stairs for a

lot of pairs of shoes.
